

MCI® LED D-Coach Tail Lamps

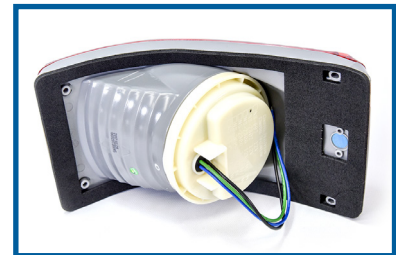

ADD THE BENEFITS OF LED_s TO YOUR D-COACH TAIL LAMP SYSTEM

T07-3474

- Kit includes 2 LED tail lamps and hardware required for installation
- LED alternate replacement from tail lamp assembly 7L-7-156
- Conforms with SAE and DOT requirements
- Long-life LEDs reduce maintenance time
- LEDs are vibration resistant and require lower AMP draw to the electrical system than filament bulbs

MCI LED Tail Lamps
